

Richland School District will be hosting "A Cavalcade of Authors" on Friday, February 12th where eight YA writers will be coming to the Red Lion in Pasco to provide writing workshops for our interested students. We need your donation to help pay for t-shirts for the participants, travel expenses including overnight hotel, meals, etc. for the out-of-town authors, and to purchase books for participating students who cannot afford to buy a title from any of our featured authors. Book prices range from \$5.00 to \$15.00 and any donation is a generous one.
