
Read for Life is a new ASB club at Enterprise Middle School dedicated to the promotion of life-long reading at our school by organizing, supporting and raising money for the annual event Cavalcade of Authors. Each year we bring a number of young adult authors to our community to provide writing workshops for the secondary students in our district. This does not come cheaply. It is our wish that once we have properly seeded our program that we will donate yearly to Children's Cancer Research here in the Tri-Cities. Our Read for Life Fundraiser this year will help pay for author speaking fees , hotel and travel expenses, conference expenses, t-shirts, books for the library, and help seed our program for next year. Please support literacy in our community and sponsor an Enterprise Middle School student's reading endeavor by donating money per page or a lump sum for the books read.

Student Name: _____ **School:** _____

Grade: _____

My reading goal is to read: _____ pages by Tuesday, January 12th.

All pledges will be collected and turned in on this date.

Date Began	Date Completed	Book Titles of Books I'm Reading	Number of Pages
